# SERVING OUR COMMUNITY IN 2021

## A NOTE FROM OUR EXECUTIVE DIRECTOR

We at Anchorpoint are honored and blessed to serve the clients who come seek emotional, relational, spiritual, and academic help and healing.

It is a sacred experience to be with people in their pain and suffering and to work together to face their problems, whatever they may be. The truth is that pain and suffering are an inevitable experience in our lives.

We were not created to live alone. We were created to live in community and to support and care for each other.

I have had the greatest opportunity in my life here at Anchorpoint to be with hundreds of people in their suffering over the past 35 years.

Ironically, it is that hurt that ultimately matures, strengthens, and heals us if we are vulnerable and humble enough to seek needed help.

Through the gift of togetherness, counsel, care, and guidance, we engage in healing growth and the honor of walking through the journeys of unfamiliar paths.

ACM opens our doors to embrace the possibility to explore pain, mold change, and navigate the difficulties of life's personal challenges.

Sincerely,

**Rev. Dr. Ron Barnes, LSW**  
Executive Director, ACM

"Counseling has given me confidence and helped me see my worth." - *Client, age 16*

"[This process] has helped me cope with difficult thoughts and emotions and got me on a path to healing." - *Client, age 30*

"[My son] enjoys going to tutoring every week. [His tutor] has built his confidence, taught him skills to make learning easier, and has made it fun! We are so grateful for everything this program has done for him and our family." - *Parent of Tutoring Student*
